

NAC from A to Z

What does the New Apostolic Church actually have to say about things like fasting, gene therapy, or ecumenism? What is the Church emblem all about, and what is Holy Sealing? Concrete answers to concrete questions from A to Z can be found in the glossary. These range from theological aspects of Church doctrine to the medical and ethical problems of daily life.

Christ in the centre

At the heart of Christendom: The New Apostolic Church professes the Bible and the interdenominational foundations of Christianity as the basis of its doctrine. It is led by Apostles and acknowledges three sacraments. At the core of church life are its regular divine services. These serve for the believer's personal development in preparation for the return of Christ.

Unity in diversity

As a global community, the New Apostolic Church numbers over nine million members in some 200 countries around the world. It is comprised of legally independent District Churches, all under the common umbrella of a uniform doctrine and collective leadership bodies. The operation of Church institutions and humanitarian aid activities is financed by the voluntary donations of its members.
